

## GROWTH

We are grateful that a key theme of the past year has been growth! It began with an expansion to our Bergey's Chevrolet dealership in Colmar, Pennsylvania, and was followed by several acquisitions in the following months that significantly increased our number of locations, brands and geographic footprint.

In January 2022, Bergey's Chevrolet of Colmar expanded their dealership to include a Medium Duty Service Center located just across Route 309 from the auto dealership. A few months later, Bergey's acquired Carfagno Chevrolet of Plymouth Meeting, resulting in our second Chevrolet dealership. Our commercial tire group successfully relocated the Denver, PA tire location into the Reading Truck Center. In the fall of 2021, the brand new Bergey's Wholesale Tire operation opened in Telford, PA, neighboring our existing HD Wholesale Parts warehouse. In December of 2021, we celebrated the acquisition of our first dealership locations outside of Montgomery County with the Kia, Mazda and VW of Wyoming Valley Motors acquisition. Finally, in January of 2022 the acquisition of Cumberland Truck was finalized. This included 13 new locations, expanding our commercial offerings to western and north central Pennsylvania.

We want to welcome all of our new team members to Bergey's!

# BERGEY'S HAS PURCHASED CARFAGNO CHEVROLET

Bergey's is pleased to announce that it has purchased Carfagno Chevrolet which is located at 1230 East Ridge Pike, Plymouth Meeting, PA. The dealership has been renamed Bergey's Chevrolet of Plymouth Meeting.

We are excited at the opportunity to add an additional Chevrolet dealership to our automotive product offerings! This acquisition now results in eight auto dealerships serving the Montgomery County area, further strengthening our position as an automotive leader in our community.

The leadership team will include Joanna Bergey Shisler, Dealer and Craig Morein, General Manager (*pictured bottom right with car show winner*). Bergey's would like to extend a warm welcome to the team members at Chevrolet of Plymouth Meeting!

On Saturday, November 13th, Bergey's Chevrolet of Plymouth Meeting had a Grand Opening celebration. The community joined us in celebration for a open house and car show. The celebration included music, games, food, prizes and fun for all ages. We had over 50 cars come out for the car show.

# BERGEY'S HAS PURCHASED WYOMING VALLEY MOTORS

Bergey's is pleased to announce that it has purchased Wyoming Valley Motors which is located at 126 Narrows Road, Larksville, PA. The auto group has been renamed Bergey's of Wilkes-Barre which includes Bergey's Mazda, Bergey's Volkswagen and Bergey's Kia of Wilkes-Barre.

We are excited at the opportunity to add Mazda and Volkswagen to our automotive product offerings! This acquisition results in 12 automotive brands and 10 locations in eastern Pennsylvania. This acquisition will enable Bergey's to broaden our sales, service, and parts network throughout the entire state of Pennsylvania as well as upstate New York and northern New Jersey.

"We are excited at the opportunity to expand our import offerings with these very popular brands. Kia has been gaining market share annually, driven by strong design with the models like the popular Telluride and the all-new 2023 Sportage. Mazda continues to prove to be a very popular brand, giving customers exceptional value with top notch design and performance. With the addition of Volkswagen, Bergey's is proud to offer a brand that is known for its craftsmanship and German engineering. KIA, Mazda and Volkswagen are also making sure they are investing in EV (electric vehicle) technology. As EV's become more popular and more widespread, Bergey's will be able to offer many different EV models in the years to come". Luke Bergey, Director of Variable Operations.

The leadership team will include Luke Bergey, Kevin Bergey, and Fred Straus. Bergey's would like to extend a warm welcome to the team members at Bergey's of Wilkes-Barre!

# BERGEY'S HAS PURCHASED CUMBERLAND TRUCK

Bergey's Truck Centers are growing! Bergey's has acquired Cumberland Truck, which includes five truck centers and eight HD truck parts & industrial supply stores located throughout Pennsylvania and Maryland. Bergey's will provide commercial truck sales, leasing, rental, service, parts, industrial supplies, and commercial tire services across these new locations. Three of the new truck centers in Carlisle, Ephrata, and Milton I-80 add full-service Volvo dealerships, while Harrisburg, PA is a truck service, tire and parts center. Hagerstown, Maryland offers truck and tire service. These five new locations deliver over 50 additional service bays to Bergey's commercial service department. The eight HD truck parts and industrial supply stores are located throughout Pennsylvania. These locations will continue to operate as Cumberland Truck Parts and Harvey's Supply Co. These stores deliver new product offerings to Bergey's customers, while expanding Bergey's footprint into western Pennsylvania. In addition, this acquisition results in increased warehouse distribution points and significantly increases available parts inventory, which further supports our brand promise of "Keeping Customers on the Road".

This acquisition expands Bergey's Truck footprint to 24 locations including 15 truck centers, 8 truck parts locations, and HD parts warehouse. Bergey's Truck Centers offers Mack, Volvo, Hino, Isuzu, and Autocar commercial trucks and Strick trailers. In addition, Bergey's also operates 6 commercial tire centers and 10 automotive dealership locations, extending their commercial offerings to include automotive and light duty pick-up trucks and vans.

# BERGEY'S MEDIUM DUTY TRUCK CENTER

Bergey's opened a new Medium Duty Truck Center which is located at 3190 Trewigtown Road, Colmar, PA. The service shop specializes in fleet services. Bergey's new shop also offers inspection on medium to heavy duty trucks and trailers. This facility expanded our capabilities to better service our medium duty fleet customers.

# BERGEY'S TIRE EXPANDS

Our Commercial Tire location in Reading, PA has added commercial tire capabilities. It is conveniently located with our Truck Center for one-stop shopping! This is our first Bergey's Truck and Tire Center located at the same address. Our Telford, PA location has also expanded with the addition of wholesale tire. This new operation is focused on fulfilling our auto dealerships tire needs, with future growth opportunity to the surrounding area.

# CORPORATE EXPANSION

Corporate is growing and making more space for our additional team members. Pictured Below: new office spaces, break room, conference room

# BERGEY'S KIA BREAKS GROUND IN COLMAR, PA

Bergey's officially broke ground on Tuesday, November 23, 2021, for their new, state-of-the-art Kia dealership in Colmar, PA. The current Kia dealership on Broad Street in Lansdale will be relocated to 713 Route 309, Colmar, PA, making easy access to the new dealership.

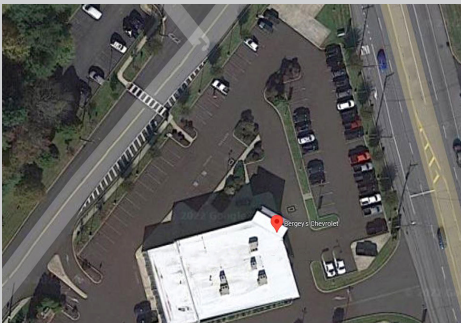

"Our new Kia facility will increase our capabilities across the board, supporting our brand promise of being Driven to Serve," says Dave Budnick, Consumer Group Lead.

Along with improved facilities and upgraded technology, Bergey's Kia will more than double their footprint with a 2-story dealership, over 25,000 square feet of interior space and 3.7 acres of land. The new location is easily accessible via Route 309 and will have plenty of customer parking. The parking lot will include 275 spaces for vehicle display, service and team members. Pervious paving will be used on the new lot, allowing for a more natural hydrologic balance and reduce runoff volume by trapping and slowly releasing precipitation into the ground.

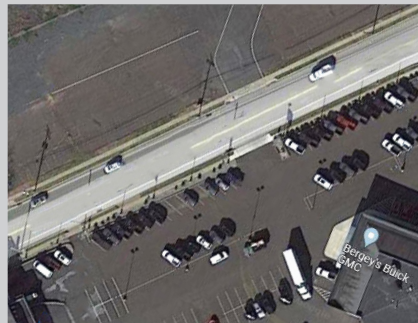

The facility will provide a state of the art showroom and customer amenities. In addition, the showroom will include two bays for indoor vehicle delivery and on-site vehicle detailing. Instead of fueling up at the gas station, the new facility will offer three charging stations. The new service area will feature 16 bays, doubling service capacity. The service area will also include two lanes for service drive thru drop off.

## INVENTORY SHORTAGES

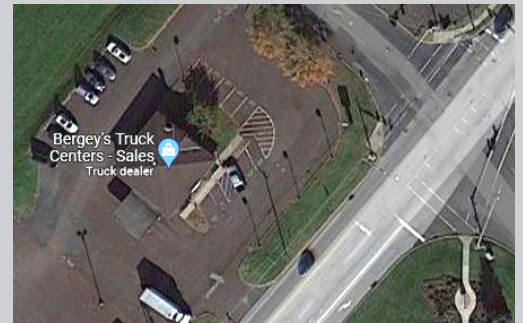

Vehicle inventory has been an ongoing challenge since 2020, resulting in parking lots appearing bare throughout our locations. This is due to a variety of factors impacting the global supply chain. It started in 2020 from Covid impact, micro-chip shortages and labor challenges. It has continued into 2021 and early 2022. This has resulted in increased vehicle costs and retail prices across the board for new and used vehicles. The dealers have adjusted to this shift by focusing on custom ordered vehicles for consumer and commercial customers.

## NAVIGATING 2021

# COMMERCIAL KICK-OFF

Like many things in 2021, our annual Commercial Kick-off Meeting looked a little different with a virtual meeting, but the results were the same – a great event to kick-off the year! The event theme was Navigating 2021, focusing on how to serve our customers in the midst of all the obstacles the prior months have delivered. The event went off seamlessly thanks in part to our MC, Becca Kulp, who kept us engaged and on schedule throughout the event.

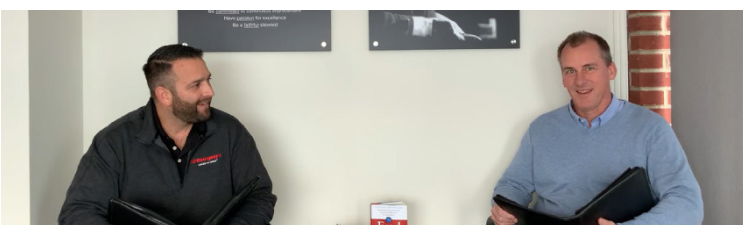

Dan Dellamarine and Steve Forde

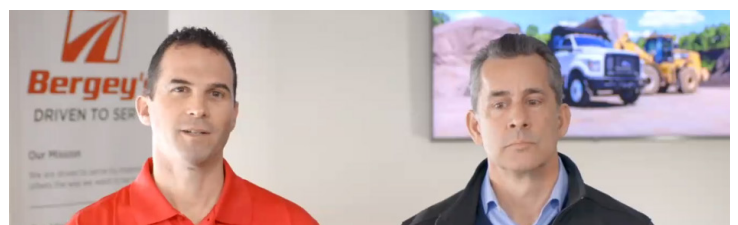

Rob Baran, Dan Ferrera and team above

The team enjoyed focusing on One Bergey, including an overview from Steve Forde and Dan Dellamarine, as well as a team panel discussion led by Rob Baran. Dave Schlosser and Davide Giandomenico shared a book review of “The Fred Factor”, including insights of how we can incorporate Fred’s mentality into our work days. Matt Huston shared good insights on how to plant seeds of success in the coming year even with the ongoing obstacles. Luke Bergey and Steve Rybacki provided an overview of our light-duty commercial offerings and opportunities. In addition, department leaders shared 2020 highlights and 2021 department goals. This event was just another example of how our team has adapted to our circumstances and stayed focused on delivering quality solutions!

# FOOD DRIVE

In November 2021, we organized a company-wide food drive at each of our locations. As a company, we were able to serve 17 different organizations in need of food donations! We could not have made this happen without all of you and your hard work; thank you for making a difference in your communities! We hope to do this again in the future. This year awards were given to the most creative food displays. The winning teams were able to pick what food bank to give their prize money to. Chevrolet of Colmar took first place and \$3,000 towards Garden of Health (Lansdale). Heavy Duty Truck Parts in Telford took second place and \$2,000 towards Pennridge FISH. Pennsauken Truck Center took third place and \$1,000 towards Stick a Fork into Hunger.

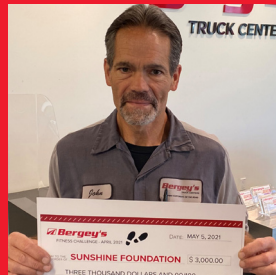

# FITNESS CHALLENGE

Thank you for making our first Bergey's Fitness Challenge a success! Together we logged over 16 MILLION steps! Together we donated over \$6,700 to nonprofits in our local communities, while improving our team's overall health. # CARS FOR CHRIST

Bergey's Auto Group had the pleasure of supporting Heidelberg Church's event "Cars for Christ" on August 21, 2021, supporting Habitat for Humanity!

# COLMAR CAR SHOW

On July 17th, Bergey's Chevrolet of Colmar hosted a summer car show from 9am-12pm. It featured lots of custom and classic cars, prizes, live music, free food and plenty of fun!

# ORGANIZATIONAL ANNOUNCEMENTS

**Steve Rybacki** – has been promoted to Vice President, Medium Duty Truck Sales & Bethlehem Truck and Body. In this key leadership role, Steve will oversee all aspects of new truck sales for the Isuzu, Hino, and Mack medium duty product offerings, as well as key Ford fleet accounts respectively. In addition Steve will oversee all truck body sales and upfits as offered through our newly created body company, Bethlehem Truck and Body.

**Bill Schenck** – has been promoted to Vice President, Heavy Duty Truck Sales. In this role, Bill will be responsible for all aspects of class 8 new vehicle sales for our Auto-Car, Mack, and Volvo truck brands. Under Bill's leadership, Bergey's has grown market share, and profitability consistently. Bill's unique ability to develop relationships with our customers, team members throughout the Bergey organization and our key suppliers has really prepared him well for this key leadership role. Bill has been with the Bergey organization for 24 years all of which have been in class 8 truck sales and sales leadership.

**Bob Lewis** – has been promoted to General Manager of Bergey's Buick GMC. For the past 3 years, Bob has excelled in his role as the General Sales Manager. Bob is the type of person that clearly leads by example. His leadership ability has a way of energizing the entire team. Bob has 24 years of experience in the auto industry bringing a great passion and a "get things done attitude" with all he tackles. You can always count on 110% effort and him pushing his team members to their fullest potential.

**Rob Baran** – has been promoted to Vice President, Parts East, for all Bergey Truck Centers, less the Cumberland locations. Rob will report to Jim Gavaghan. Rob has been with the Bergey organization since September 2020 as Director, Parts Sales. Rob worked closely with the outside sales team members in growing our sales through a protect, expand and growth approach to our existing customers, as well as conquest accounts. Rob will be tasked with leading all aspects of the existing Bergey's Truck Centers parts business.

**Mark Brown** – has been promoted to Vice President, Dealership Service of Bergey's Truck Centers. In this new position, Mark will take on the service leadership responsibilities for all of our current truck dealership locations, to include the Cumberland Truck service locations. In addition, Mark will be responsible for our captive maintenance partnerships. During Mark's 11 years with the Bergey's, he has tackled roles of increased responsibility, all of which have positioned Bergey's as a leader in service technology and best in class customer service.

## JOB FAIR

Bergey's held a job fair on April 23rd. Our team was ready to welcome job-seekers at the Franconia Heritage. Walk-ins were welcome and on-the-spot interviews with HR and hiring managers were conducted.

## PBS

Bergey's switched over to a new DMS system called PBS in September 2021. This will replace Accuterm on the consumer side.

# FORD PRESIDENT'S AWARD

Bergey's Ford of Ambler has won the prestigious Ford President's Award for 2020 because of all of their excellent customer service and efforts this past year. This is now 3 out of the last 4 years! Only the top 10% of all Ford dealerships nationwide receive this award. It is only given to Ford dealerships that obtain the highest level of customer satisfaction and surpass the sales objectives that Ford sets. Winning this is a reflection that customers had a great experience at Ford of Ambler and that our team earned their trust and confidence in service, parts, and sales.

## FORD SENIOR MASTER TECH

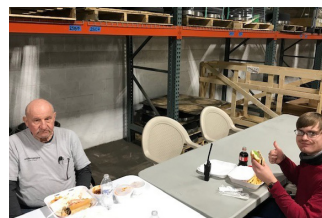

The Bergey's Ford of Lansdale team celebrated with Dale McConnell on March 12, 2021, recognizing Dale for his continued 20 years of Ford Senior Master Technician status. Dale is one of only 37 in the country that have the Ford Senior Master title for 20 consecutive years in a row. Seth Kandel grilled lunch for the team and they celebrated with the Ford representatives.

## SAFETY AWARDS

The Bergey's Cup for Safety Excellence recognizes the Bergey's operations that have executed their safety plans and had considerable success in avoiding accidents. In addition to their low accident rates, the award takes into account compliance with safety training requirements, scores on safety audits, and the completion of a site-specific Safety Improvement Plan. The Bergey's Cup recipients for 2020:

- 1st Place:** Trenton Truck Center (large shop) and Pennsauken Commercial Tire (small shop)
- 2nd Place:** Telford HD Truck Parts (large shop) and Delmar Truck Center (small shop)
- 3rd Place:** Buick GMC (large shop) and Boyertown Commercial Tire (small shop)

# MACK 2020 NORTH AMERICA DEALER OF THE YEAR

Bergey's Truck Centers has been named Mack Trucks 2020 North American Dealer of the Year.

Mack presents the Dealer of the Year awards to dealers that exceed business targets for sales, parts, service and leasing, as well as those that continue to grow the business and score highly among customers for satisfaction.

"The Bergey's team grew its market share, made investments to improve customer support and has strongly supported the roll out of the Mack® MD Series. Bergey's Truck Centers' strong performance on behalf of their customers and the Mack brand rightfully earned them this distinction, and we look forward to an equally successful 2021."

Bergey's Truck Centers has received the regional dealer of the year award several times, however this is the first time to be recognized as the North American Dealer of the Year.

"What makes this so humbling is the fact that it is based on Mack metrics directly tied to parts, service, leasing, used and new truck sales versus our dealer peers. I want to thank every team member who contributed to this success. This award is even more special due to the fact that we achieved great results despite the tremendous headwinds caused by COVID. Our team stayed focused on "Keeping Customers on the Road" in the midst of hardship and this award is a result of that dedication." - Jim Gavaghan, President
