## **Bergey's**<sup>®</sup>

## CELEBRATING 100 YEARS!

Wow! What a year! The opportunity to celebrate our 100 year anniversary was a huge blessing to our family. To think that the modest automotive repair shop that Norman L. Bergey started in little Franconia in 1924 would go on to celebrate 100 years in business, now operating with almost 1,800 team members and 50+ locations, is very humbling.

We know this milestone could not be achieved on our own. First and foremost, we thank God for the precious gift He has blessed us with, as well as the provisions He has provided. We have had a mix of celebrations and trials, but through it all He has been faithful. It is impossible to count the blessings bestowed on us over the past 100 years.

We also give thanks to the 8,500+ team members who have served our company over our 100 year history. Our company was built on our team's foundation of dedication, hard work and a passion to serve others. It is humbling to think of team members who have dedicated decades of their lives serving Bergey's. I am so thankful that when we talk with many of those who are long-tenured they tell us how grateful they are to be a part of our story.

As we give thanks for our past, we also look forward to our future. While we do not know what lies ahead, we do know that it will look different than the last 100 years. And while we need to continually adapt and adjust to the ever-evolving industry, we are committed to staying the course of the past 100 years, building on the foundation of accountability, integrity, commitment, passion, and faithful stewardship that the generations before us established.

Mark Bergey - CEO

## BOOK & LAUNCH KIT

The 100th celebrations kicked off with all team members receiving a 100 year celebration gift box, which included the 100 Year History book.

"My hope is that this book blesses future generations, teaching them the foundation our company was built on." - Mark Bergey

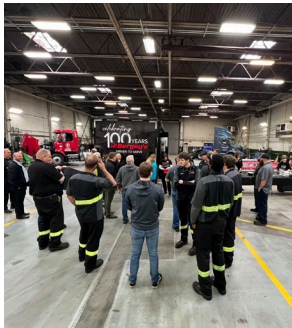

# 100 YEARS

## TOUR & TRAILER

In honor of 100 years of business, Bergey's Thankful Tour visited every location to express gratitude for the team members and to celebrate and honor the family business legacy. The celebration included breakfast or lunch, history trailer on-site for self-guided tours, and giveaways. The history trailer was created as a museum on wheels. Walk through and experience Bergey's historic moments, take a step back in time and remember where Bergey's began, and don't forget to look for our team members names on the doors!

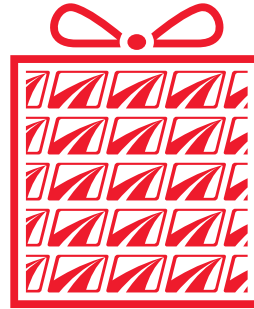

## GIVING BACK TOGETHER

One of our company values is to be a faithful steward. Bergey's demonstrates this by providing support to humanitarian non-profit organizations throughout the year.

In November, Bergey's launched the Giving Back Together campaign to celebrate our 100th anniversary by supporting organizations that inspire our team members and positively impact communities where we live and work. Each team member was invited to participate in the selection of organizations that benefit from these funds by nominating a humanitarian 501 (c)(3) organization to receive a \$500 donation from the Bergey Family Foundation. This philanthropic effort resulted in over 450 organizations receiving contributions.

## CELEBRATION EVENT

What an incredible evening we had on September 14th as we celebrated 100 years in business! Bergey's is truly humbled by the overwhelming support from our team, customers, and community, with an estimated 8,000-10,000 attendees coming together to mark this monumental milestone. Guests enjoyed a variety of activities, including a stunning car show, games, Bergey's giveaways, and food. The Tyler Hunsberger Band set the perfect tone with their live music, creating a lively atmosphere for everyone to enjoy. And when the sun set, the evening culminated in the most spectacular fireworks display that lit up the sky in a dazzling finale, leaving everyone in awe. This event was made possible thanks to the incredible efforts of our planning team: Becca Kulp, Beth Goshow, Carmen Leatherman, Dave Landis, Glenda Leatherman, Kelsy Weaver, Lorrie Brown, Mark Bergey, Melissa Schummer, and Melea Ruth. Thank you all for being part of this special moment in Bergey's history!

## BERGEY'S ACQUIRES LESHER MACK

On December 1, 2023, Bergey's Truck Centers acquired the assets of Lesher Truck. This acquisition included three locations, a Mack and Hino dealership in Lebanon, PA, a Hino dealership in Camp Hill, PA and a leasing operation in Lititz, PA. "This acquisition is a great opportunity for Bergey's to bridge a gap in our existing Mack and Hino footprint in Central PA," said Mark Bergey, CEO. The Camp Hill, PA location has since been merged with Bergey's existing truck center in Carlisle, PA, to serve dual Mack and Hino product offerings.

## BERGEY'S ACQUIRES LANCASTER DODGE RAM FIAT

On November 7, 2024, Bergey's acquired the assets of Lancaster Dodge Ram Fiat located at 1475 Manheim Pike in Lancaster, PA. The dealership has been renamed Bergey's Dodge Ram Fiat of Lancaster. With the addition of this dealership, Bergey's automotive division now offers 15 automotive brands across 14 locations.

## FACILITY UPDATES

Bergey's Collision Center in Lansdale and Wholesale Parts in Colmar received a face lift. A new paint job and exterior signage was installed. Bergey's Subaru in Hanover installed 6 new service bays. Bergey's Truck Center in Delmar, MD added over 2750 sq ft of parts warehouse and 280' of new racking, doubling their commercial parts inventory capacity.

## WILKES-BARRE CONSTRUCTION UPDATE

Construction on our Mazda dealership in Wilkes-Barre has been completed. Our new building is in use and they officially cut the ribbon on November 16th. VW is under construction to the left of Mazda and the new Kia building will go up in the lot on the right side.

## RED CROSS BLOOD DONOR WINS TRUCK

A regular blood donor since high school, Tony didn't even realize he was entered into a drawing after his last donation. American Red Cross Southeastern Pennsylvania was thrilled to share the surprise of a lifetime, Tony had won a brand new Ram truck! Tony was allowed to select which dealer to receive it from and Bergey's Chrysler Jeep Dodge Ram was chosen! We are so grateful to be a part of this opportunity with the Red Cross and overjoyed to present Tony with his brand new 2025 Ram 1500 Big Horn! A huge thank you to the Red Cross for everything they do for our community and to Tony for being a blood donor.

## EMERGENCY HURRICANE RELIEF DRIVE

In October our Chrysler Jeep Dodge Ram dealership collected items for hurricane relief in North Carolina and Tennessee. The support of our community was overwhelming! The plan was to send one box truck down, however so many donations came in that we were able to send four 53' trailers full and two box trucks. All of this could not have been done without the support of HP Cadwallader and Alderfer Eggs (The Old Dutch Cupboard) supplying us with the materials needed to package, box and pallet all these amazing donations.

# APPRECIATION DAY 2024

On Friday, October 4, 2024, we had our fifth annual Bergey's Team Appreciation Day. All of our Bergey's locations participated in a variety of fun activities, food, and prizes. We were blessed with beautiful weather and great energy throughout the company. Thank you to our team members for everything you do each day to be Driven to Serve!

# BERGEY'S 2024 KICK-OFF EVENT

*celebrating*  
**100**  
YEARS

Bergey's commercial group has launched each year with a kick-off event since 2012. Each event focuses on a theme for the year and is structured around team building and inspirational activities intended to build and create excitement about that theme. In conjunction with Bergey's centennial anniversary in 2024, this event expanded to include the consumer group, to unite all with a focus on a common theme and to further strengthen our One Bergey team mentality.

On February 8, 2024, over 250 Bergey's team members gathered at the Mack Trucks Customer Experience Center in Allentown, PA to kick-off the year with a new theme - celebrating 100 years! The team enjoyed company updates, break-out sessions, a Bergey Family panel, awards, and more! What a way to kick off our 100th year in business!
